Ask and it will be given to you; seek and you will find; Knock and the door will be opened to you. For everyone who asks receives; he who seeks finds; And to him who knocks, the door will be opened. Matthew 7:7 & 8

**Ethiopia**

*Praise God* for new opportunities He has provided for the Kingdom message to be preached in Ethiopia. The father of an 11 year old patient who had a chance to see the Jesus film and received counseling from the spiritual team commented: “I don’t have words to say for the hospitality I saw in this hospital.” His daughter accepted Christ with joy and the father who expressed an interest in learning more about Jesus was referred to a nearby church for follow up.

Continue to *pray* for the ministry of bedside counseling through which God has given CURE Ethiopia the opportunity to minister to patients as they recover from surgery. Pray also for the caregivers as they have the chance to listen to God’s Word as well.
