

CURE Zambia's Dr. Kachinga featured on CNN

Sep 17, 2014 · By CURE International · [News](#)

Neurosurgeon Dr. Kachinga Sichizya being interviewed for a news feature.

We are only partly kidding when we say that Dr. Kachinga Sichizya, neurosurgeon at CURE Zambia, just might be the most interesting man in the world. The CNN features below explain why we're so proud to call Dr. Kachinga one of our own.
