Established in Blantyre in 2002, Beit-CURE Children's of Malawi is a teaching hospital comprising 58 beds and three operating theaters. The hospital provides over 2,500 life-changing reconstructive and orthopedic surgeries each year for children suffering from treatable disabilities. The hospital is internationally recognized by the College of Surgeons of East, Central, and Southern Africa (COSECSA). In addition to world-class clinical service, CURE Malawi ministers to the emotional and spiritual needs of patients and their communities. The Beit Trust, a UK-based charity, provided the initial funding for this facility as a gift to the people of Malawi.
