Established in 2014 through a partnership with the Tim Tebow Foundation, CURE Philippines performs over 1,500 life-changing reconstructive plastic and orthopedic surgeries every year for children suffering from treatable disabilities. Strategically located in Davao City, the hospital has 30 beds and three operating rooms to treat children with conditions like clubfoot, bowed legs, cleft lip and palate. In addition to world-class clinical service, CURE Philippines ministers to the emotional and spiritual needs of patients and their communities.
